GRANT APPLICATION GUIDELINES AND PROCEDURES

More information and our grant application can be found at www.heinz.org under Grants.

How to Apply

Step 1: Learn about what we fund

Prospective applicants are asked to review carefully the guidelines for the grant-making program from which they anticipate seeking support. Inquiries regarding funding should demonstrate a familiarity with the program's goals and strategies.

Goals & Strategies for our five Program Areas:

- Arts & Culture
- Children, Youth & Families
- Education
- Environment
- Community & Economic Development

Review our geographic funding area, the listing of previously funded grants, and the definition of terms we use in our materials (all available online). Please pay attention to the deadlines for application submissions in order to be considered for specific board meetings. (March 1 & August 1). You can refer to our [frequently asked application questions](#) (online) or contact us if you have additional questions not covered here.

Step 2: Determine your eligibility

- Review our eligibility requirements (below)
- Check your organization's status on Guide Star to make sure that you are properly listed

Step 3: Submit your Online Application

- Create an account with The Heinz Endowments. You will receive an acknowledgement email when you create your account. This email will contain your password and the link to login to your account, and you should save this email for your records.
- You must successfully pass the short eligibility quiz at the beginning of this process.
- General information about the form:
 - You can get a printer-friendly version of your application on any page by clicking the link on the top right corner of the form.
 - You can email your application in-process to a colleague for their review by clicking the link on the top right corner of the form.
 - Text fields can be spell checked by clicking the 'check mark' after the field.
 - Some fields have a maximum word count, but they also have a counter underneath that will count down the words.

GRANT APPLICATION GUIDELINES AND PROCEDURES

- The application form now supports attachments, three of which are required (project budget, board of directors list, and signed Patriot Act compliance statement). The maximum size for all attachments combined is 25 MB. Please note that files with certain extensions (“exe”, “com”, “vbs”, or “bat”) cannot be uploaded. Acceptable formats include: documents, spreadsheets, PDFs, photos, etc. NOTE: Your Patriot Act compliance statement must be on your organization’s letterhead, signed by the head of your organization and dated.
- The application is divided into four sections: Organization Information, Contact Information, Project Information, and Goals & Measures.
- You do not need to complete the application in one sitting – you can save your work and log back in at a later date.
- The Review page of the application will give you one last chance to review all your answers and make any necessary changes. You must hit “Submit” at the bottom of the page for your application to be processed.
- After you submit your application, you will receive an email acknowledging that we have received it. This email will contain a tracking number and a copy of the application that you submitted. Once your application has been successfully entered into our grants management system and forwarded to the appropriate program area for review, you will receive a second email with a new Grants Reference number. Please use this new reference number for all inquiries.
- After you submit your application, you will be able to access it but you will not be able to make changes.

Step 4: Endowments staff reviews your inquiry for Board consideration

- After your application is entered into our system, it is sent to the appropriate program director. Please review the link online to see [what the Endowments looks for in an application](#).
- If your project is not a fit with the program’s goals and strategies, you will receive a declination letter.
- If your project is a possible fit, program staff will perform due diligence – possibly involving: phone calls, site visits, research, etc.
- If it is decided that your project should move forward, staff may possibly request additional information to finalize your application.

Step 5: Proposal is presented to the Board of Directors for approval

- There are two grant-making board meetings each year – one in the spring and one in the fall. You will be notified of the board’s decision concerning your proposal.
- Proposals for \$50,000 or less may be considered on a rolling basis as interim requests.
- If approved, new grantees will receive a notification packet including a grant agreement, guidelines for follow-up reporting, and press release information. The grant agreement must be signed by head of grantee organization and returned before any payments can be made.
